Sir,

With reference to Government Proceedings No Mc. 459-60, of 9th February 1892, granting an advance of Rs 150/ per mensem from Provincial Funds for continuing the half padikara to the servants of the Srikanteswaraswamy Temple at Nanjangud from 1st March to 30th Sept 1892, I have the honor to bring to your notice that the present contract rate is Rs 12-6— per kalla, which was accepted in the month of March for 12 months, i.e. from 1st March 1892 to the end of February 1893, thus showing that the price of rice continues the same.

2. The advance granted by the Government under the Proc above quoted will lapse by the end of this month, and the continuance

continuance of half padikara to the servants

of the Temple will have to be discontinued from 1st of next month and this will put the whole establishment into great hardship. Therefore I beg to request that you will kindly move the Government at your earliest convenience for sanctioning the continuance of the present grant of advance till the end of February/93, and the whole amount thus advanced may be adjusted from the savings of the Temple funds.

Also. Docket No. 578 dated 22nd September 1892, from the Deputy Commissioner, Mysore District, forwarding the District Muzrai officer's letter No. 48 dated 20th idem requesting sanction ~~for~~ to the continuance of Half-Paditara to the servants of Srikanteswara Swamy Temple at Nanjangud till the end of February 1893-

---

Order thereon No. C. 85 A
Dated (camp) Mysore 8th October 1892.

In the Proceedings read above the Government directed that the Paditara allowances payable to the Temple servants at Nanjangud after the 31st March 1892 should be of the same quantities as had been paid to them up to that date: and further considering the high prices which prevailed at the time, they were pleased to sanction for the purpose the payment of an extra sum of Rs 150/- per month Mhs as an advance from the

Provincial Funds, subject to future adjustments from the Savings of the Temple receipts. This period expired on the 30th ultimo

2. Though the season has since improved, yet the supply of rice to the Temple having been given away on contract for one year dating from the 1st March last, at a fixed rate of Rs 12-6-- per Palla, the Temple servants will not get Half-Padikara, under the present contract rate unless an extra sum is granted ~~to meet the additional cost~~ till the termination of the present contract.

3. As any sudden reduction in the Paditara allowances will cause great hardship to the Temple servants, the Muzrai Officer of the Mysore District recommends the continuance of Half Paditara to them and the payment of the extra sum from the Provincial Funds for the purpose till the end of February next.

4. Under these circumstances

payment of the advance of Rs 150/- per mensem from the Provincial Funds to Sreekanteswaraswami Temple, Nanjangud for a further period of 5 months - viz, from October 1892 to February 1893 — subject to future adjustment from the Savings of the Temple receipts.
